- Listnening music

PROFILE

Dedicated and enthusiastic graduate with a deep passion for web development and a knack for solving complex problems. Seeking an entry level engineering role that combines my technical skills, problem solving abilities and enthusiasm for web development to contribute to cutting-edge projects and further develop as an engineer.Eager to contribute my skills, work ethic, and enthusiasm to achieve my goals and grow in a dynamic work environment.

PROJECTS

• Personal Portfolio Website

2023

site link : <https://arkabratachandra.netlify.app/>

github repo-link : https://github.com/itzarkabrata/Personal_Portfolio

TECH-STACK : **HTML , CSS , Java Script**

- Fully responsive with user interactive Animations
- smooth component appearance affect
- Navigation bar with animated hambargar configuration
- slider can emphasise the beauty of appearance of images

• TIC - TAC - TOE game

2022

Its an AI Based Single as well as multiplayer game

github repo-link : <https://github.com/itzarkabrata/Tic-Tac-Toe>

Programming Language Used : **Python**

- Using Min-Max Algorithm , it has become a 1-user as well as 2-user game.
- user has full control over the first turn to be given at the time of starting
- At each step the resuld board will help the player to identify the present as well as next move

PARTICIPATION ON TECH

Participated in an online **HACKATHON**

2023

FLIPKART GRID 5.0

1-Day long virtual hackathon

SOCIAL SERVICES

facebook page link : <https://facebook.com/groups/523727901639799/>

This group is taken care by me and my whole group of school friends. We made a decision during COVID-19 to raise our hand towards the people whose life become uncertain during such pandemic situation
